CHANGES TO THE IEMA ASSOCIATE CERTIFICATE IN ENVIRONMENTAL MANAGEMENT COURSE: FAQs

IEMA have developed a new course specification entitled the Certificate in Environmental Management to replace the Associate Certificate in Environmental Management course specification. This new course specification links directly to the new IEMA Practitioner membership level. To find out more information about the new IEMA Practitioner membership please visit <http://www.iema.net/membership-2016.html>

When will the changes to the Associate Certificate course take effect?

The Certificate in Environmental Management course will replace the Associate Certificate in Environmental Management course on 1st July 2017. Until that point, we can continue to deliver the Associate Certificate in Environmental Management course.

What happens between June 2016 and 1st July 2017?

Learners can continue to book on and complete our Associate Certificate in Environmental Management course and take the IEMA exam through us in the same manner as they currently do.

Between June 2016 and 1st January 2017, learners will automatically become IEMA Practitioner members rather than IEMA Associate members on successful completion of the course and assessment.

Between 1st January 2017 and 30th June 2017, learners who successfully complete the course and assessment will become IEMA Associate members but entitled to a fast track to Practitioner membership (through completion and submission of the Assessment of Competence set by IEMA).

What do I need to do next?

If you want to become an IEMA Practitioner member automatically, you must pass the Associate Certificate course exam before **31st December 2016**.

If you want to become an IEMA Practitioner member after 31st December 2016, you must pass the Associate Certificate course exam and successfully submit an Assessment of Competence to IEMA before **30th June 2017**.

The Associate Certificate course will be withdrawn on 30th June 2017 and it will no longer be possible to take the IEMA Associate Certificate examination.
